### **MOISTURE MEASUREMENTS IN TEA**

We refer to Circulars No. 13 of 2021 dated 25<sup>th</sup> May 2021 and 15 of 2021 dated 25<sup>th</sup> June 2021 on the captioned subject.

It has been decided by the CTTA that all producers are required to purchase and use moisture meters to gauge the moisture levels in their teas and the deadline was set for the 31<sup>st</sup> of December 2022.

At the last meeting, the Committee decided to withhold teas from cataloguing that do not declare the moisture content, with effect from January 1, 2023.

The CTTA solicits the cooperation of all stakeholders to address this issue towards maintaining the quality of Ceylon teas.
